Message from the Vice President

Vision of the FOL

*A community where everyone
enjoys, uses, and supports the
'Willingboro Public Library'*

Greetings:

As the newly elected Vice President of the Friends of the Library, I'm excited about the opportunity to work with the new president & to assist her with implementing the necessary goals to ensure success for the organization...

The members of Friends, who are dedicated volunteers, work timelessly to support our library, which is a vital part of the community.

In closing, thanks for your vote of confidence, & I will do my best to do my part for the Willingboro Public Library
